

Are You Prepared?

It is that time of the year again. Hurricanes, Tornados, Flooding, Fire, loss of infrastructure and more.

Wind damage, tidal surge and flood damage, fallen trees, roofs ripped off buildings as if they were coffee cans. Will your business have damage from unanticipated sources?

Thoroughbred's DR (Disaster Recovery) and back-up systems and services can protect you and your system Data with multiple remote back-ups. We can also bring you up on the cloud until your systems can be made operational once again.

Call us before this happens to you.
