8.7.0 TS DataServer™ Activation

After installation of your TS DataServer product you will have up to 30 days to activate it. 8.7.0 introduces the new stand-alone activation for TS DataServer products. Generally to activate you will:

1. Login to your server
2. Run the activation program

TS DataServer Product Activation Program	
TS ODBC DataServer for UNIX	tfodbca
TS ODBC DataServer for Windows	tfodbcna.exe
TS Network DataServer for UNIX	tsmgract
TS Network DataServer for Windows	tsmgrna.exe
TS ORACLE DataServer for UNIX	tsoract
TS ORACLE DataServer for Windows	tsorana.exe
TS DataServer for MS SQL Server	tsmssqla.exe

To activate **TS Network DataServer for Windows:**

1. **Login as Administrator.**
2. From the **Start** menu select:
All Programs-->Thoroughbred Software-->TS Network DataServer Activation.

For more information please refer to your TS DataServer Installation Guide located on your Product CD.
